READ THE LABEL BEFORE USING

CAUTION: Use lined steel bungs only

* Reg. T.N. of Huts Canada Inc.

NET CONTENTS _____ KGS.

FOR EXTERIOR USE ONLY

This product contains a phenylmercury compound as a biocide for

in-an preservation or mildew control. This product is intended solely for exterior use in well ventilated areas. Use of this product inside or to treat any materials used inside any building or structure, may be hazardous to your health and the health of those occupying the building. Some children may be particularly sensitive to mercury. Keep this product out of reach of children.

NOTE: Paints containing mercurial additives are not to be used in areas where food is processed, handled or stored.

DIRECTIONS FOR USE IN PAINT: For preservation of aqueous paint against putrefication and loss of viscosity, add 0.01% to 0.06% by weight. As a fungicide to prevent mildew growth in aqueous paints, add 0.4% to 1% by weight.

LOT NO. _____

DRUM DISPOSAL

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Conservation and Protection Service, Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

FIRST AID: If swallowed give milk or white of egg beaten in water, then a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Call a Physician immediately! If on skin wash immediately with soap and water. If in eyes flush with water for at least 15 minutes and get medical attention.

TOXICOLOGICAL INFORMATION: This product contains phenyl mercuric compounds and should not be stored or used in or near eating areas. Mercury poisoning may result from breathing spray, swallowing small amounts or absorption through the skin.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence

under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out in the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

PRECAUTION: Harmful or fatal if swallowed. May produce delayed chemical burns. Wear long rubber gloves to avoid skin contact and face mask in case of splash hazard. Do not breathe spray mist, do not get in eyes or on skin or clothing. Wash thoroughly after handling. Keep away from open flame. Do not store in open areas nor near food or feed. Do not contaminate water used for domestic consumption, irrigation, fish or wildlife.
