DIRECTIONS FOR USE:

3D15 is recommended for the control of slime in cooling

towers/air washers. Add 1-5 packets (55g each) per 4500 L of coolant. The unopened packet should be added at a point in the system, such as the sump or reservoir, where the active ingredients will be uniformly dispersed throughout the coolant. Remove packet from system before the addition of additional packets or after 3 days. Dispose of according to pesticide disposal instructions.

PRECAUTIONS: 3D15 is irritating to skin and may cause burns and allergic skin reactions. Avoid contact with eyes. Do not take internally. Wear goggles and rubber gloves when handling. Avoid using chemical in confined space. Remove clothing that has been in contact with this product and wash thoroughly before reuse. Avoid contamination of food.

Products containing this chemical are not to be used in food packaging materials. This product is toxic to fish and birds. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID: Wash skin with soap and water for at least 15 minutes. If contacted with eyes, flush with water and get immediate medical attention. If swallowed, do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

TOXICOLOGICAL INFORMATION: Undiluted product could be fatal if swallowed.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
