INSECTICIDE

CONTROL OF COCKROACHES, ANTS, BOOKLICE, CRICKETS, EARWIGS,
MILLIPEDES, SILVERFISH AND SPRINGTAILS AND CLUSTERS IN BUILDINGS:

Apply dust to infested places such as cracks and crevices, spaces around water pipes and tanks, surfaces behind and beneath cabinets, refrigerators, sinks, stoves and similar areas where insects hide. Repeat treatment as necessary. When used in dwellings, care should be taken to avoid deposits with which children could come in contact. Do not contaminate food, food containers or cooking utensils.

CONTROL OF SOIL INSECTS: Fungus Gnats (Larvae) and Springtails. Apply to cover soil surface and work into soil 2.5 to 5 cm. Give plant thorough watering. Repeat as required to maintain control.

PRECAUTIONS: Keep out of reach of children. Avoid breathing dust. Wear an approved respirator when handling large amounts.

May be fatal if swallowed. Do not get into eyes. Avoid contact with skin. Wash thoroughly after handling and before eating, drinking or smoking. Avoid contamination of food and feed. Use only as recommended on label. This product is toxic to fish and wildlife. Do not contaminate domestic or irrigation water supplies, lakes, streams and ponds.

FIRST AID: If in eyes, flush with water for 15 minutes and get medical attention. If on skin, wash with soap and water. If swallowed, give patient one or two glasses of water and induce vomiting by touching back of throat with a finger or blunt object; repeat until vomit fluid is clear. Do not give anything by mouth to an unconscious person. Contact a physician or Poison Control Centre immediately.

TOXICOLOGICAL INFORMATION: Stomach Lavage. Diazinon is a cholinesterase inhibitor. Antidote - Atropine Sulphate at 1-2 mg every 15 minutes may be necessary.

DISPOSAL: Thoroughly empty the contents of the container. Make the empty container unsuitable for further use. Dispose of container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the provincial regulatory agency or the Manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
