NET CONTENTS: \_\_\_\_\_ grams

CCL INDUSTRIES INC.  
26 Waterman Avenue  
Toronto, Ontario  
M4B 1Y5

DIRECTIONS:

Shake well before using. Hold container in upright position 25 to 30 cm from pet and spray entire body beginning at tail and working towards the head. Do not spray face, eyes or scrotum. As you spray, fluff the hair so that spray will penetrate to the skin, but spray only until hair is damp - not wet. Spray Ticks directly. Also spray bed and living quarters if needed. Repeat as necessary. Do not use on nursing puppies or kittens under 8 weeks of age or nursing females. Do not spray more than once a week.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Discontinue use if dermal or nasal irritation develops. Do not use near birds, fish, food or foodstuffs. Avoid inhalation of spray. Avoid skin contact by wearing rubber gloves. Wash hands after use. Dispose of empty container in regular household garbage. Do not re-use container.

FIRST AID:

If sprayed in eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once. If on skin, wash thoroughly with soap and water.
