DIRECTIONS FOR USE:

To be used only in the manufacture of a fungicide, wood preservative, antifoulant or microbiocide, which is registered under the Control Products Act. Read technical information about this product prior to use ("Advice on Safe Handling + Safety Data Sheet")

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial

- requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of the Environment Canada.

PROTECTIVE PRECAUTIONS:

- respiratory protection (Respiratory protection masks
- hand protection with filter A or B, if
- eye protection TLV-Value exceeded)

TECHNICAL PROTECTIVE PRECAUTIONS: Good room ventilation

FIRST AID: Provide fresh air. Remove impregnated clothing; wash affected skin with warm water and soap. After eye contact rinse with water for at least 15 minutes. Call a physician! If TBTO is swallowed induce vomiting. Never give anything by mouth to an unconscious person. Give plenty of water to drink. Call a physician.

TOXICOLOGY DATA:

Acute Toxicity: LD ₅₀	127 mg/kg(Rat)
Primary Skin Compatibility:	Prolonged contact can cause skin damage
Mucous Membrane Compatibility:	Severe irritation effect

PRECAUTIONS:

Toxic by inhalation, in contact with skin and if swallowed. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Take off immediately all contaminated clothing. After contact with skin, wash immediately with plenty of water and soap and seek medical advice (show the label where possible). Toxic to wildlife and fish.

NOTICE TO USER: "This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions."
