SHAKE BEFORE USING

KEEP UPRIGHT WHILE SPRAYING

DIRECTIONS FOR USE: To kill flies, Mosquitoes, Gnats, Wasps and Flying Moths: Close all windows and doors and direct spray upward into centre of room with a slow, sweeping motion. Spray 5 to 10 seconds for average room. Keep nozzle 1 metre from surfaces. Keep room closed for 15 minutes after spraying. Cover

exposed food and utensils before spraying. Ventilate before re-entry. Sweep up and destroy dead insects.

To kill Cockroaches, Silverfish, Crickets and Ants: Spray baseboards, cracks, crevices, moist areas, and openings around sinks and pipes and other hiding places, hitting the insects directly. Spray ant hills and ant trails over windows and door sills and other locations. Repeat as necessary for control.

FOR OUTDOOR AND FLOWER GARDEN: For sucking and chewing insects on such plants as Asters, Azaleas, Begonias, Chrysanthemums, Dahlias, Delphiniums, Gladioli, Irises, Marigolds, Petunias, Roses and Snapdragons. Also for sucking and chewing insects on evergreens and small ornamental deciduous trees, shrubs and vines. For best results spray in evening or on a cloudy day when air is still. Use slow sweeping motion. Keep can 50 cm from the plants. Avoid wetting foliage with the spray. Spray rows at the rate of 30 cm per second. For heavy growth, spray row on both sides. Repeat when needed. Spray with caution on young plants and new growth. Do not spray garden when temperature exceeds 32°C.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves, or other sources of heat. Do not puncture or incinerate container or store at temperature cover 50°C. May stain finished surfaces if sprayed too closely. Product toxic to fish. Do not contaminate any body of water. Any treated surface that may contact food or feed products should be washed thoroughly with potable water after spraying and before reuse. Do not spray near open flame or spark or while smoking.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
