3130 Pepper Mill Court
Mississauga, Ontario L5L 4X4

DIRECTIONS FOR USE

Thoroughly wet the entire hair-coat with warm water and then

apply enough shampoo to make a lather and work thoroughly into the coat and down to the skin. Pay special attention to the neck and hindquarters. Do not treat eyes, face, or genitals of pet. For best results allow lather to remain on animals for five minutes before rinsing. Rinse thoroughly and dry.
Product contains emollient and may be repeated weekly or semiweekly as required.
Follow a complete MYCODEX (R) pest control program as recommended by your veterinarian.

PRECAUTIONS

HUMAN: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid contact with eyes. Wash hands after use.

PETS: Do not use on nursing females or animals under 8 weeks of age. If pet is pregnant, or under drug or pesticide treatment, consult a veterinarian regarding proper product use.

FIRST AID: If in eyes, flush with plenty of water. Get medical attention if irritation persists. If on skin, wash thoroughly with soap and water, remove contaminated clothing. If irritation persists, consult physician. If accidentally swallowed, obtain medical attention at once.

STORAGE AND DISPOSAL

STORAGE: Store in original container at room temperature.

DISPOSAL: Do not reuse container. Wrap original container in several layers of newspaper and discard in garbage.
