NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

DIRECTIONS FOR USE

With Cold Fog Generator: Place machine near one wall, on a chair, with nozzle pointed upwards. Run until fog reaches the opposite side of the room - generally about 30 seconds for the average sized room.

With Sure Shot Sprayer or Poly Sprayer: Spray upwards toward the ceiling while walking around the outside perimeter of the room. Spray toward the centre of the room.

NOTE: This product is not to be used to mask odours resulting from poor sanitation.

FIRST AID

In case of contact with skin or eyes, give prolonged irritation with water. In case of ingestion, wash out the mouth thoroughly with water and give water to drink. In all cases obtain medical attention.

PRECAUTIONS

Eye and skin irritant. Avoid ingestion, inhalation, and contact with skin, eyes, and clothing. Where there is a risk of contact, wear protective clothing. Avoid contact with metals. Store away from oxidizing materials, heat, ignition sources, food and food containers.

DISPOSAL

Rinse the emptied container thoroughly and add the rinsings to the system. Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use.

Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Regional office of Environmental Protection, Environment Canada.
