"The Professional's Choice"™

- . Eliminates Overflows
- . Broad Spectrum Anti-Microbial
- . Continuously Cleans
- . Lasts For Six Months

DIRECTIONS FOR USE

For use in drain pans of cooling equipment: air conditioners, refrigerators, coolers, and ice machines.

Slim, flexible MICRO GUARD™ easily fits into air conditioner or refrigeration drain pans, controlling the growth of bacteria in these areas.

Not for use in heat vaporizing or atomizing type vaporizer humidifiers.

Installation Instructions: Remove from packaging. KEEP KNIT ENCLOSURE IN TACT. DON'T COVER DRAIN OPENING.

A/C Units: Place on the surface of the pan.

Tap Drains: position so as not to obstruct drain.

Coolers: place close to initial seepage point

For use only by trained service personnel for application in medical, government, commercial, airport, resort, schools and industrial areas.

Manufactured By
Controlled Release Technologies Inc.
#270 18167 US Hwy 19 North
Clearwater, Florida
34624

FIRST AID: KEEP OUT OF THE REACH OF CHILDREN

If in eyes, flush with water 15 minutes. Get medical attention. Persons with sensitive skin may develop a rash with excessive direct handling, and should wear gloves. If on skin, wash with plenty of water. If rash develops get medical attention. If swallowed, promptly drink large quantities of water. Avoid alcohol. Get medical attention immediately or contact the poison control centre.

NOTE TO PHYSICIAN:

Probable mucosal damage may contraindicate the use of gastric lavage.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

DISPOSAL:

Spent packets may be disposed of in regular trash. Unused packets may be returned to the dealer.
