Edmonton, AB T5J 0H8

KEEP OUT OF REACH OF CHILDREN

PRECAUTION

See back panel for additional cautions

DIRECTIONS FOR USE:

DO NOT USE ON HORSES INTENDED FOR SLAUGHTER

To protect horses from Horn Flies, House Flies, Mosquitoes and Gnats apply a light mist sufficient to wet the surface of the hair. Do not saturate hair or skin. To control Stable Flies, Horse Flies and Deer Flies apply at a rate of 60 mL per adult animal sufficient to wet the hair thoroughly. Repeat treatment daily or at intervals necessary to give continued protection, but not more often than once per day. Do not cover horses after treating.

FLEAS AND AMERICAN & BROWN DOG TICKS ON DOGS AND CATS

Start spraying at the animal's head, avoiding the eyes, nose and mouth as you spray. Make sure the animal's entire body is covered including the legs, under body and tail. While spraying, fluff the hair so that the spray will penetrate the skin. Make sure spray wets thoroughly. Avoid contact with genitalia. Repeat as necessary but do not treat more often than once a week. Do not use on sick animals or animals under drug or pesticide treatment. Do not use on kittens or puppies under 8 weeks of age. Before using on pregnant animals consult a veterinarian.

PET AREAS:

To control Fleas and Brown Dog Ticks on premise: Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames, and entire areas of floor and floor covering. Fresh bedding should be placed in animal's quarters following treatment. Concurrent treatment of animals is recommended. Repeat treatment as needed.

PRECAUTIONS

Harmful if swallowed or absorbed through skin. May be irritant to eyes and mucous membranes. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. Remove pets, birds and cover fish aquaria before surface applications. Avoid contamination of feed and foodstuffs.

This product is toxic to fish. Do not apply directly to lakes,

ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID:

IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person. Call a physician or Poison Control Centre immediately. IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water. Seek medical attention if irritations persists. IF IN EYES: Flush eyes with plenty of water. Seek medical attention if irritation persists. IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated. Seek medical attention if indicated.

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

STORAGE AND DISPOSAL

Do not transport or store under 0 deg Celsius. Store in a place inaccessible to children and pets.

STORAGE: Store in original container in a cool dry place inaccessible to children and pets. Protect from freezing.

DISPOSAL: Do not reuse container. Wrap and dispose of empty container in household garbage.
