DIRECTIONS FOR USE

APPLICATION DIRECTIONS: Apply as a soil surface treatment. May be broadcast by ground equipment unless specified otherwise on the label. Use a band treatment between the rows after formation of edible parts. Do not contaminate edible portions of the plant. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. May be applied to the following crops to protect from slugs and snails.

VEGETABLES: Asparagus, beans, cabbage, carrots, celery, cucumbers, lettuce, melons, onions, peas, peppers, potatoes, radishes, spinach, squash, tomatoes, turnips: Apply 22.4-44.8 kg per hectare.

TREE CROPS: Cherries, peaches, apples: Apply 22.4 - 44.8 kg per hectare.

SMALL FRUIT: Blackberries, strawberries, grapes: Apply 11.2 - 44.8 kg per hectare.

TURF & ORNAMENTALS: Ornamental greenhouses, ornamental planing, lawns: Normally apply 11.1-22.2 kg per hectare. Repeat treatment as necessary to maintain control.

Experience has shown most plants to be tolerant to Deadline Granules. However, on extremely tender plants, such as orchids, it is suggested the user of this product do a small test to determine any plant sensitivity before making a broadcast application over the plants.

For best results, apply in evening. Especially beneficial if applied following rain or watering. Apply every 3 to 4 weeks during growing season, or as needed, up to a maximum of 6 applications per year.

THIS PRODUCT MUST NOT BE APPLIED DIRECTLY TO FOOD CROPS. DO NOT APPLY BY AIR. DO NOT APPLY BY GROUND APPLICATION METHODS WHICH RESULT IN DIRECT CONTACT OF PRODUCT WITH THE FOLIAGE OR EDIBLE PORTIONS OF FOOD CROPS. FOOD CROPS MAY NOT BE HARVESTED WITHIN 6 DAYS OF TREATMENT.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing dust. May cause eye irritation. Avoid contact with skin, eyes or clothing. Wear long sleeved shirt, long pants,

shoes, socks and chemical-resistant gloves when handling and applying the product. Follow manufacture's instructions for cleaning and maintaining personal protective equipment (PPE). If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside, then wash thoroughly and put on clean clothing. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

THIS PRODUCT IS TOXIC TO DOGS, BIRDS AND OTHER WILDLIFE. DOGS AND OTHER ANIMALS ARE ATTRACTED TO METALDEHYDE BAITES AND POISONING WITH FATALITIES MAY RESULT. CLEAN UP OR BURY ANY SPOILED PRODUCT.

STORAGE: Do not contaminate water, food or feed by storage or disposal. Use product only from original container & keep in locked storage area away from children & pets. Keep container tightly closed when not in use. Do not store near food or feed.

DISPOSAL

Thoroughly empty the contents of the bag into the application device. Do not reuse the empty bag, and make it unsuitable for further use. Dispose of the bag in accordance with provincial requirements. For information, on the disposal of unused, unwanted product and the clean up of spills, contact the provincial regulatory agency or the manufacturer.

FIRST AID

IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water. Get medical attention.

IF SWALLOWED: Do not induce vomiting. Seek medical assistance immediately.

IF ON SKIN: Wash thoroughly with soap and water.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the *Pest Control Products Act* to use a control

product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
