MONTREAL H7S 1P1

KEEPS WOOD FROM ROTTING

For exterior use only. Preserves and stains construction wood, car ports, farm buildings, sheds, garbage bins, fences, gates, posts, shingles, etc. Penetrates and protects wood against moulds and fungi. Deters insects.

APPLICATION

Do not thin. Stir well from bottom before and during application.

Apply with brush. Clean brush with mineral spirit or paint thinner. Do not spray. Apply one or two coats for desired colour. Protect adjacent painted surfaces (creosote stain will discolour paint).

CAUTION

For exterior use only.

Keep away from open flame or spark.

Do not use on furniture, sun decks, dock decks or any surface which comes in contact with the body. This stain contains creosote oil which may irritate sensitive skin. Protect eyes and skin during application. Splatters should be cleaned promptly by washing with paint thinner, then soap and water.

FIRST AID TREATMENT

Contains petroleum distillate. If swallowed, do not induce vomiting. Call physician immediately. If patient is unconscious, give him/her air.

Approximate Coverage: Rough surfaces 2 m<sup>2</sup>/L. Smooth surfaces 8 m<sup>2</sup>/L.
