Patented HERBICIDE 1964

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL
CAUTIONS AND DIRECTIONS.

KEEP PESTICIDE IN ORIGINAL CONTAINER. DO NOT PUT CONCENTRATE OR
DILUTE INTO FOOD OR DRINK CONTAINERS. Do not store diluted
spray. Make new dilution for each use.

DIRECTIONS FOR USE ON LAWNS: For control of Dandelions,
Plantain, Buttercup, Chickweed, Clover, Bedstraw, Black Medic
(Yellow Clover), Heal-all, Ground Ivy Creeping Charlie),
Knotweed, Ragweed and Shepherd's Purse - DIRECTIONS: Mix 6 ml of
ORTHO SUPER WEED-B-GON per litre of water. Spray 20 litres of
mixture evenly over 100 m² of lawn. 5 ml = 1 teaspoonful. For

best results apply when weeds are actively growing and weather is warm. Avoid applying during a long, excessively dry or hot period. Growing conditions are usually ideal for treatment in late spring or early fall. Repeat as necessary. Do not apply when rain is expected. Do not water within 24 hours. Spray evenly and thoroughly. A watering can may be used if care is taken to insure application of 120 ml (8 tablespoonfuls) of product per 100 m². Do not apply to newly seeded lawns. Wait until the second or third mowing after seeding. Follow a program of fertilization and water to permit the grass to fill in following killing of weeds.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

CAUTION: Avoid inhalation. Avoid contact with skin, eyes and clothing. Wash hands after use. Keep out of reach of children. Avoid spray drift on to susceptible plants as the spray can be injurious to many cultivated species. Bent grass may be injured or killed. Do not use same sprayer for other agricultural purposes. Do not store near seeds, fertilizers, insecticides or fungicides. When container is empty, immediately wash thoroughly and destroy. Never re-use.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to the spray mixture in the tank.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of the environmental Protection service, Environment Canada.
