YUKON DOES IT ALL

This powerful, all-purpose cleaner is formulated for people who need only one product for cleaning, disinfecting or sanitizing and deodorizing in hospitals, nursing homes, schools, public buildings, offices, churches, factories, hotels, motels, clubs, restrooms and shower rooms. It is extremely effective for killing odor producing bacteria, molds, mildew and fungi. And it will remove the toughest dirt, grime and grease from walls, floors, table tops, counters, chairs, porcelain, machinery and

all washable surfaces.

For best results, apply with a clean cloth, sponge or mop. Hot water will increase its effectiveness. DO NOT MIX WITH OTHER CLEANERS.

#### USE DILUTIONS

LIGHT CLEANING AND SANITIZING: 1 part cleaner to 60 parts water.

NORMAL CLEANING AND SANITIZING: 1 part cleaner to 40 parts water.

HEAVY DUTY CLEANING AND DISINFECTION: 1 part cleaner to 25 parts water.

NOTE: Rinse after use and allow surfaces to dry.

#### PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. May cause eye damage or skin irritation. Do not get concentrate in eyes or on skin. Avoid contamination of food. Rinse empty container with water before discarding.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, GET MEDICAL ATTENTION. If swallowed, drink milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water, GET MEDICAL ATTENTION.

NOTICE TO USER: This control product is to be used only in accordance with the direction on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
