DIRECTIONS:

For control of dog and cat flea, American dog tick and brown dog tick, dilute 30 mL of CYCLE BREAKER 5 concentrate with 1 litre of water. Sponge - rinse animal with the diluted solution, making sure the hair is thoroughly wet to the skin. Avoid contact of the material with eyes, mouth and scrotum of animal. Repeat as necessary for control. Do not use on puppies or kittens under 8 weeks of age or on nursing females. Consult a veterinarian before using on pregnant animals.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or foodstuffs. Wash hands after use. Dispose of empty container in

regular household garbage.

FIRST AID:

If in eyes, flush with clean water. If on skin, wash with soap and water. If irritation persists, obtain medical attention. If accidentally swallowed, do not induce vomiting. Contains petroleum distillates. Obtain medical attention at once bringing container with you.
