PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.

HARMFUL IF SWALLOWED. Avoid contact with skin, eyes and clothing. Avoid breathing vapours. Wear goggles, rubber gloves and protective clothing. Wash skin with soap and water immediately after contact. Flush eyes with water.

FIRST AID TREATMENT

If a known exposure occurs or is suspected, immediately start the procedures given below. If further treatment is required, contact a Poison Control Centre, a physician, or the nearest hospital.

IF SWALLOWED: Immediately give several glasses of water and induce vomiting by gagging the victim with a finger placed on the back of the victim's tongue. Give fluids until vomitus is clear. If the victim is unconscious or convulsing, do not induce vomiting or give anything by mouth. Call a physician.

IF IN EYES: Immediately flush eyes with large amounts of running water for at least 15 minutes. Hold eyelids apart during flushing to ensure rinsing of the entire surface of the eye and lids with water. Get medical attention.

IF ON SKIN: Flush all affected areas with plenty of water for several minutes. Remove contaminated clothing and shoes. Seek medical attention if skin irritation occurs. Wash clothing before reuse.

IF INHALED: Remove to fresh air. Seek medical attention if respiratory irritation occurs or if breathing becomes difficult.

TOXICOLOGICAL INFORMATION

TILLAM[®] Technical is a weak cholinesterase inhibitor. Atropine is antidotal. Use of pralidoxime chloride (2-PAM, PROTOPAM) is not recommended. Treat eye, skin or naso-pharyngeal irritation symptomatically.

For further information see the Product Safety Data Sheet for TILLAM[®] Technical.

EMERGENCY TELEPHONE NUMBER

All hours, 1-800-327-8633 (FASTMED) **ONLY** for health and environmental information.

ENVIRONMENTAL PRECAUTIONS

Keep out of lakes, streams and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE

Containers should be stored in a cool, dry, ventilated area away from flammable materials, sources of heat and flame, and food stuffs.

SPILL HANDLING

Make sure all personnel involved with spill are aware of the hazards associated with this material.

A small spill can be handled routinely considering the physical and hazardous properties of the product as well as the location of the spill. Use adequate ventilation and wear an air supplied respirator to prevent inhalation contact. Wear protective clothing to prevent skin and eye contact. Soak up pooled liquid as follows:

- * Spread a suitable absorbent such as clay on the liquid.
- * Sweep up absorbent and place sweepings in an open drum.
- Generously cover the contaminated area with a common house-hold granular detergent (e.g. TIDE*). Using a stiff brush, work the detergent into the spill material, forming a slurry. Brush the slurry into cracks and crevices, and allow to stand for 2 to 3 minutes. Be careful to completely avoid skin or eye contact; do not splatter one's self or bystanders.
- Spread adsorbents on the slurried liquid, and shovel the absorbed material into an open drum.
- Repeat if necessary.
- Flush the area with water, while observing proper environmental considerations.
- Seal drum and dispose of contaminated material in accordance with municipal or provincial recommendations.

DISPOSAL

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

DIRECTIONS FOR USE

To be used only in the manufacture of a product which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
