NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

DISPOSAL:

Do not reuse empty container. Wrap and discard empty container with household garbage.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid contact with skin and eyes. Avoid contamination of food and feed stuffs. Wash thoroughly after use.

FIRST AID:

If in eyes flush thoroughly with water and seek medical attention. If on skin wash thoroughly with soap and water. If swallowed do not induce vomiting. Contains petroleum distillate, obtain medical attention immediately.

TOXICOLOGICAL INFORMATION

DIAZINON is a cholinesterase inhibitor. Atropine is antidotal. Use 1-2 mg. every 15-30 minutes if necessary.

DIRECTIONS:

Ants, Cockroaches, Crickets, Earwigs, Silverfish: Apply as a coarse spray or with a paint brush to baseboards, areas around water pipes, cracks and crevices, surfaces beyond and beneath cabinets, refrigerators, sinks, stoves, undersides of table tops and shelving and similar areas where these insects nest or hide. Remove or cover all food and utensils before treatment. After spraying, wash all surfaces that may contact food, and rinse thoroughly with potable water before resuming operations.

Clover Mites: Apply as a coarse spray or with a paint brush to window and door frames and sills, along baseboards and the floor close to them. Pay particular attention to all cracks and crevices.

Brown Dog Ticks, Fleas: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, animal sleeping quarters and localized areas of floors and floor coverings. Fresh bedding should be placed in animal quarters following treatment.

CAUTION: DO NOT APPLY TO PETS OR HUMANS.

NOTE: The solvent used in this formulation is a petroleum distillate which may stain certain plastic, rubber and asphalt materials such as tiles and floor coverings. Do not treat such materials.
