FIRST AID

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water. Get medical attention.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. May be fatal if absorbed through skin. Causes substantial but temporary eye injury. Do not get in eyes, on skin or clothing. Wear protective clothing, goggles, face shield, or safety glasses, and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse. Harmful if swallowed. Avoid inhalation of vapour. Avoid contamination of feed and foodstuffs.

This product is toxic to fish, birds and other wildlife. Do not discharge effluent containing this manufacturing concentrate into lakes, streams, ponds, estuaries, oceans, or public waters. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority.

TOXICOLOGICAL INFORMATION: Diazinon is a cholinesterase inhibitor. If signs of cholinesterase inhibition are present, Atropine is antidotal. 2-PAM may be administered in conjunction with Atropine.

IMPORTANT: Data indicates this product to be contact allergenic. Hypersensitive individuals should avoid exposure.

DIRECTIONS FOR USE

To be used only in the manufacture of pesticides which are registered under the PEST CONTROL PRODUCTS ACT. Physical data and formulating information are given on the Product Description Sheet.

DISPOSAL

Canadian formulators of this manufacturing concentrate should dispose of unwanted concentrate and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the regional office of Environmental Protection, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms

set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
