Net Contents:

Ready-to-use Long Lasting for use in Residential Properties.

An insecticide for the control of flies, mosquitoes, cockroaches, ants, silverfish, earwigs, crickets, exposed stages of angoumois grain moth, cigarette beetles, drugstore beetles, Indian meal moths, saw-toothed grain beetles and weevils.

DIRECTIONS

General: For use in areas of residential properties where treatment will present no human hazard or contamination of food.

Application should be made as a coarse spray (using a pressure

sprayer with large orifice to prevent "misting"). Spray surface to point of run-off (approx. 5 litre to 100 m2 of surface area), where infestation is present - floors, walls, etc., with particular attention to baseboards, cracks, crevices and other localized areas infected with insects. Repeat as necessary to maintain control.

EXPOSED STAGES OF ANGOUMOIS GRAIN MOTH, CIGARETTE BEETLES, DRUGSTORE BEETLES, INDIAN MEAL MOTHS, SAW TOOTHED GRAIN BEETLES AND WEEVILS.

Thoroughly treat floors and the walls of the infested area with attention to cracks, crevices, corners and perimeters. Sanitation and dust control area are of primary importance. Fumigate or destroy infested products.

Flies and Mosquitoes - Apply as a residual spray or with a paint brush to surfaces of building, porches, screen doors, window frames and garage where flies congregate. To obtain thorough coverage, apply to the point of run-off. Repeat as necessary.

CAUTION

Contains Petroleum Distillate.

Keep out of reach of children. Do not use as a space spray. Avoid contamination of feed or food stuffs, food processing equipment and food handling surfaces. Avoid inhalation and skin contact. Do not use on household pets, humans or plants. Keep product away from fire, open flame, or other sources of heat. Provide adequate ventilation of area being treated. Harmful if swallowed, inhaled or absorbed through the skin. Wash thoroughly with soap and water after handling and before eating or smoking.

FIRST AID

If swallowed DO NOT induce vomiting and get medical attention. Atropine is antidotal.

Notice to Buyer - Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
