®Registered Trade Mark of ~~Uniroyal Chemical Co.~~

This product is to be used only in the manufacture of pesticides registered under the Pest Control Products Act.

PRECAUTIONS:

1. Avoid contact with skin and eyes.
2. May be harmful if inhaled. Avoid inhalation of dust and vapours.
3. Potential skin sensitizer. Impervious rubber gloves (neoprene may be adequate) and protective clothing should be worn when handling.
4. In absence of adequate ventilation use respiratory protection approved for pesticides.
5. Wash hands and other exposed skin after handling and before eating, drinking, etc.
6. No food, drink, tobacco or chewing materials should be

- allowed in areas of handling or use.
7. Keep street and work clothing separate. Launder contaminated clothing separately from other clothing.
 8. May cause allergic skin reactions; see physician if dermatitis develops.

FIRST AID INSTRUCTIONS:

- IF ON SKIN: Remove contaminated clothing and wash skin thoroughly with soap and water.
- IF IN EYES: Flush with water for 15 minutes and obtain medical attention.
- IF INHALED: Remove to fresh air.
- IF SWALLOWED: Contact a physician or Poison Control Center immediately. Give the patient one to two glasses of water, and cause vomiting by giving one dose (15mL) of syrup of IPECAC. If the patient does not vomit within 20 minutes, give a second dose. If syrup of IPECAC is not available, give the patient one to two glasses of water and cause vomiting by inserting a finger down the throat. Repeat with water until vomit fluid is clear. The patient should be lying down with the head below the level of the feet. DO NOT TRY TO GIVE ANYTHING BY MOUTH OR CAUSE VOMITING IF THE PATIENT IS UNCONSCIOUS OR IN A CONVULSIVE STATE.

STORAGE:

Store away from sources of direct heat in a dry area, away from feeds and foods.

PROCEDURES FOR HANDLING SPILLS OR CONTAINER BREAKAGE:

Sweep or vacuum up. Shovel into secure containers for proper disposal. Avoid creating dust. Use personal protective equipment as outlined under PRECAUTIONS. Dispose of the container in accordance with provincial requirements.

DISPOSAL: Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the Provincial Regulatory Agency or the manufacturer.

NOTICE TO USER:
