Net Contents: Litres.

REGISTRATION NO. 21969

PEST CONTROL PRODUCTS ACT.

ULTRAFRESH is a trademark of Kroy Unshrinkable Wools Limited

PRECAUTIONS

Harmful if swallowed. Avoid contact with eyes. In case of exposure, flush eyes with clear water for 15 minutes and get medical attention. Launder contaminated clothing before re-use. Wear gloves and protective clothing during use.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately. Never give anything by mouth to an unconscious person.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

DIRECTIONS: To be sprayed by the manufacturer at the rate of 4 mL of ULTRAFRESH SN per 100 cm2 of surface area of footwear so as to render the shoe interior more resistant to the degradative effects of fungi and bacteria. Footwear treated with ULTRAFRESH SN not only show an improved resistance to microbiological degradation, but also inhibit the development of body odours. ULTRAFRESH SN provides bacteriostatic and fungistatic action when applied as directed.

DISPOSAL:

- 1. Rinse the emptied container thoroughly and add the rinsings to the treatment site.
- 2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
- 3. Make the empty container unsuitable for further use.
- 4. Dispose of the container in accordance with provincial requirements.
- 5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.
