DIRECTIONS FOR USE

Pulp and Paper Mills: Proper application of RAISIO 971 depends on many factors, such as system design and severity of the problem. This product is to be used in accordance with control procedures established by a RAISIO Technical Representative for a specific system. The use rate ranges between 50 and 250 grams per tonne of pulp or paper produced. Not for use in the production of paper or paperboard that comes into contact with food.

PRECAUTIONS - HARMFUL OR FATAL IF SWALLOWED May cause delayed chemical burns. Causes eye and skin irritation. Do not get into eyes, or on skin or clothing. Wear goggles or face mask and

rubber gloves when handling. Wash thoroughly after handling. Remove and wash contaminated clothing before reuse.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

FIRST AID: In case of contact with skin, wash well with soap and water. In case of contact with eyes, flush promptly and thoroughly with clear water. In case of ingestion or contact with eyes, secure immediate medical attention.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

Keep out of lakes, streams and ponds. Do not contaminate water by cleaning of equipment or disposal of waste.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out upon this label and subject thereto, the buyer assumes all risk to persons or property arising from the use and handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
