This insecticide is for use only in an automatic aerosol dispenser (Cam Spring Action Type), which releases 55 mg. of insecticide every 15 minutes. The continuous use of this insecticide will reduce flying insect populations (flies, mosquitoes and biting midges) within a few hours. One can protects an area up to 170 cubic metres for up to 30 days.

USE AREAS: Attics, Garages, Outdoor Storage Buildings, Crawl spaces such as in basement areas. Use area must have at least 170 cubic metres of free flow air space. DO NOT INSTALL IN THE LIVING AREAS OF THE HOME SUCH AS THE KITCHEN, BEDROOM OR LIVING ROOM.

DIRECTIONS: In areas where ceilings are approximately 3 metres high the dispenser should be located 2-2.5 metres above the floor at a point where air circulation will carry particles throughout the area. In areas where the ceiling are low, such as attics & crawl spaces,

install the dispenser approximately 0.5 metre from the ceiling. Do not install directly over food or food packaging surfaces. To install can, remove protective cap and screw into dispenser.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Container may explode if heated. Do not expose to temperatures above 50 degrees C. Do not puncture or incinerate. Do not contaminate food, feed or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic, or varnished surfaces such as cars or cabinets.

DISPOSAL: Dispose of empty container in household garbage.

FIRST AID TREATMENT: In case of contact with eyes or skin, flush with water. If irritation persists, seek medical attention. If accidentally swallowed, seek medical attention at once or call poison control centre.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
