DANGER

POISON

CORROSIVE TO EYES

Causes irreversible eye damage. May be fatal if inhaled. Harmful if swallowed. Do not get in eyes or on clothing. Avoid contact with skin. Wear goggles, face shield, or safety glasses and a mask or pesticide respirator. Wash thoroughly with soap and warm water after handling. Remove contaminated clothing and wash before reuse.

NOTE: Protective clothing should be worn during periods of exposure, such as during formulation or when contacting treated foliage. DYRENE anilazine may cause an allergic skin reaction in some susceptible persons. This condition should be treated as an allergic dermatitis.

FIRST AID

If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. If inhaled, remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. If on skin, wash immediately with soap and water. If irritation occurs, get medical attention. If swallowed, call a physician or Poison Control Centre and drink promptly a large quantity of milk, or if milk is not available, large quantities of water. Avoid alcohol. Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

In case of poisoning, it is also requested that Chemagro Limited, Etobicoke, Ontario be notified. Telephone: (416) 614-1053.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans, or public waters. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority.

DIRECTIONS FOR USE

To be used only in the manufacture of a fungicide which is registered under the Pest Control Products Act. Read the technical bulletin for formulation details.

STORAGE AND DISPOSAL

Disposal: Do not contaminate water, food or feed by storage or disposal.

Canadian formulators of the technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills contact the regional office of Conservation and Protection, Environment Canada.

Storage: Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

Handle and open container in a manner as to prevent spillage. If the container is leaking or material spilled for any reason or cause, carefully sweep material into a pile. Refer to Precautionary Statements on label for hazards associated with the handling of this material. Do not walk through spilled material. Dispose of pesticide as directed above. In spill or leak incidents, keep unauthorized people away. You may contact Chemagro Limited or the Mobay Emergency Response Team for decontamination procedures or any other assistance that may be necessary. The Mobay Kansas City Emergency Response Telephone No. is (816) 242-2582.

NOTICE TO USER: This Control product is to be used only in accordance with directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

DYRENE is a Reg. TM of Mobay Corporation.
