PEST CONTROL PRODUCTS ACT

POULIN EXTERMINATORS
24 Marion Place - Winnipeg, Manitoba

An insecticide for the residual control of cockroaches, ants, sow bugs, silverfish, carpet beetles, earwigs, bed bugs, crickets, spiders and fleas.

DIRECTIONS:

Application should be made as a coarse spray (using a pressure sprayer with a large orifice to avoid misting) to base-boards, areas around water pipes, cracks and crevices, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, and other localized areas infested with insects. Repeat as necessary to maintain control.

DISPOSAL:

Do not reuse container. Dispose of empty container in household garbage.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Do not use as a space spray. Avoid contamination of feed or food stuff. Avoid inhalation and skin contact. Wash all skin and surfaces after contact. Do not use on household pets, humans, plants or in any area where food may be exposed. Keep product away from fire, open flame, or other sources of heat. Do not spray in presence of open flame (including pilot lights) or spark or while smoking. Turn off electric heating elements. Remove pets and fishbowls from area and do not return for 4 hrs. after treatment. Do not apply to surfaces that children or pets might contact. Remove or cover all exposed food and cooking utensils before spraying. Thoroughly wash all surfaces that might contact food before reuse.

FIRST AID:

Harmful if swallowed, inhaled or absorbed through the skin. If in eyes, flush with water for 5-10 mins. and obtain medical attention. Contains Petroleum distillate. If swallowed, do not induce vomiting. Get medical attention immediately, taking the container with you, or call a Poison Control Centre.

TOXICOLOGY:

Diazinon is a cholinesterase inhibitor. Atropine is antidotal.

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

GUARANTEE:

DIAZINON	0.50%
PYRETHRINS	0.05%
PIPERONYL BUTOXIDE (TECH)	0.25%
