**82 Carpet Sanitizer** should be an integral part of any carpet maintenance system. Routine application will not only clean the carpets, but sanitize and deodorize for a cleaner, longer lasting carpet. **82 Carpet Sanitizer** is a low foaming carpet shampoo for use with extraction, bonnet cleaning and carpet steam cleaning equipment.

**82 Carpet Sanitizer** contains "twin chain" quaternary ammonium compounds to reduce the growth of odour causing bacteria. **82 Carpet Sanitizer** is fortified to neutralize unpleasant odours. **82 Carpet Sanitizer** is formulated for use on (commercial) washable synthetic fibers. {Not recommended for use on wool carpets.} **82 Carpet Sanitizer** effectively and economically lifts and removes greasy soil, resists resoiling, and utilizes "built-in" defoamers for more productive use. **82 Carpet Sanitizer** is a balanced formulation combining true odour counteractants, a non-ionic synthetic detergent, a quaternary ammonium compound, organic chelating agents and synergizing builders for effective carpet cleaning, sanitizing and counteracting of odours when used as directed.

#### **DIRECTIONS FOR USE**

##### **TO CLEAN, SANITIZE AND DEODORIZE CARPETS:**

**Stream Extraction:** Vacuum carpet thoroughly. Mix 16 mL of 82 Carpet Sanitizer per litre of water. Inject and extract as you would any steam cleaning shampoo.

**Spin Bonnet (Bonnet Buff) Cleaning:** Vacuum carpet thoroughly. Mix 32 mL of 82 Carpet Sanitizer per litre of water. Spray on carpet at rate of 4.9 - 7.4 m<sup>2</sup>/Litre.

**Heavy Duty Spin Bonnet (Bonnet Buff) Cleaning:** Vacuum carpet thoroughly. Mix 125 mL of 82 Carpet Sanitizer per litre of water. Spray on carpet at rate of 4.9 - 7.4 m<sup>2</sup>/Litre.

**NOTE:** Test colour fastness of carpet before use. Apply diluted cleaner to a small concealed spot, then rub with clean white cloth. If colour transfers to cloth or changes, a water base product should not be used. Not recommended for use on Stain-Resistant Nylon Carpets. Consult carpet manufacturer's warranty and maintenance instructions for proper use.

**NOTE:** After cleaning, set carpet pile in one direction with a stiff brush. Place aluminum foil under legs of furniture while carpet is drying. Over-wetting can cause shrinking of carpet. Manufacturer assumes no responsibility for over-wetting or misuse.

For service or additional information, call 1-800-35-CLEAN (352-5326).

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Danger - Corrosive to eyes. Severe skin irritant. Do not get in eyes, on skin or clothing. Harmful or fatal if swallowed. Avoid contamination of food. Wear appropriate protective clothing when handling concentrate.

**FIRST-AID:**

**IN CASE OF CONTACT WITH SKIN:** Wash thoroughly with soap and water. Call a physician or poison control centre **IMMEDIATELY** if irritation persists. Remove and wash contaminated clothing before use.

**IN CASE OF CONTACT WITH EYES:** Flush with plenty of water for at least 15 minutes. Call a physician or poison control centre **IMMEDIATELY**.

**IF SWALLOWED:** Drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician or contact a poison control centre **IMMEDIATELY**.

Take container, label or product name and Pest Control Product registration number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

**DISPOSAL:**

1. Triple or pressure-rinse the empty container. Add the rinsings to the treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.
