## FOR THE CONTROL OF WASPS, BEES, HORNETS AND YELLOW JACKETS LIMITATIONS

Do NOT use inside homes, on humans or animals. Do NOT use as a space spray.  
NOT INTENDED FOR HOUSEHOLD USE.

**DIRECTIONS – SHAKE WELL BEFORE USE.** Remove protective cap. Select appropriate button. Use direct stream button at nest. Use blast button (larger) on flying insects. Press the nozzle and completely saturate the nest from a distance of 2 to 3 metres. Allow sufficient time for insects to become dead or moribund. Applications to wasp nests should be made in late evening or early morning (if possible) when insects are at rest.

**PRECAUTIONS:** May be harmful if swallowed, inhaled or absorbed through skin. Provide adequate ventilation of area being treated. Avoid contact with skin, eyes and clothing. Avoid breathing spray mist. Wash thoroughly with soap and warm water after using. Do not contaminate food, utensils or food preparation areas. Remove pets and cover fishbowls before spraying. Toxic to fish and wildlife. Do not contaminate animal feeding areas. **KEEP OUT OF REACH OF CHILDREN.** Contents under pressure. Do not store or use above 50°C as container may burst. Do not puncture or incinerate container. Do not use in the presence of open flames or sparks. Do not smoke while using this product.

**FIRST AID INSTRUCTIONS:** If on skin, wash immediately with soap and warm water. If in eyes, flush for 15 minutes with water; call a physician. If swallowed, call a physician or a poison control centre immediately (contains petroleum distillate). Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Propoxur is a carbamate cholinesterase inhibitor. Atropine sulfate is antidotal. Do not give morphine. Watch for delayed pulmonary edema in cases of serious poisoning. In this case, use oxygen therapy and treat symptomatically.

**DISPOSAL:** When container is empty, press valve to release all remaining pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer **and** the provincial regulatory agency in case of a spill and for clean-up of spills.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

**NOTICE TO BUYER:** Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
