## **FIRST AID**

**If swallowed:** Administer water and call a physician or poison control centre immediately. Do not induce vomiting.

**If directly inhaled:** Move person to fresh air, away from dispenser. Get medical attention.

**If on skin or clothing:** Wash with plenty of soap and water. Seek medical attention if irritation persists.

**If in eyes:** Flush eyes with plenty of water. Seek medical attention if irritation persists.

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.**

TOXICOLOGICAL INFORMATION: Treat symptomatically

## **PRECAUTIONS**

### **KEEP OUT OF REACH OF CHILDREN**

Fatal or poisonous if swallowed. May irritate skin. Avoid contact with skin. Causes eye irritation. DO NOT get in eyes.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by disposal of wastes.

### **Hazardous to Humans and Domestic Animals**

Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities. Avoid contact of areas under foil wrapper with skin and eyes.

### **Directions for Use**

To install or replace the Biosensory Mosquito Lure into the Dragonfly® Mosquito Trap:

Disconnect the power supply and remove the bottom cover of the Dragonfly® Mosquito Trap. Remove the Octenol Lure by unscrewing the hold-down screw and pulling the lure out of its slot. Open the foil bag and insert the replacement Octenol Lure through one of the two slots in the bottom of the unit. The Octenol Lure is asymmetrical and will insert in only one direction so that it is always properly positioned. Replace the hold-down screw. Replace the bottom cover of the Dragonfly® Mosquito Trap, connect the power, and turn the unit on. In everyday use, the Octenol Lure will last 30 to 60 days.

## **STORAGE AND DISPOSAL:**

**Biosensory Mosquito Lure Storage:** Store in original container in a cool, dry area and out of reach of children until ready to use.

**Biosensory Mosquito Lure Disposal:** DO NOT reuse spent lures. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated waste disposal sites.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
