Lot No. located on container top or bottom.

DIRECTIONS FOR USE: Shake well before using. To protect horses from attacks of Stable Flies, Face Flies, House Flies, and Horn Flies. Holding container upright, apply 55 mL as fine mist directly to horse, being careful to spray back, withers and forelegs thoroughly. Do not spray on face. To protect from Face

Flies, spray onto a cloth and wipe on face avoiding eyes, nose and mouth. Repeat treatment daily, if necessary. Not to be used on newborn or nursing foals. Do not soak skin. Do not cover horses immediately after treating. Do not apply to back of animal prior to saddling.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Not for use on humans. Avoid spraying in eyes. Avoid breathing spray mist. Avoid contact with skin. Wash hands thoroughly after use. Vacate room after treatment and ventilate before reoccupying. Do not contaminate feed or water troughs. Do not use on sick animals or animals under drug or pesticide treatment. Before use on pregnant animals, consult a veterinarian. Do not use on nursing animals, or animals under 8 weeks of age. Discontinue use if adverse effects observed. This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of waste.

Store in a cool dry area. Do not use or store near heat or open flames.

DISPOSAL: Do not reuse container. Follow provincial instructions for any required cleaning of container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

FIRST AID: If swallowed, drink one or two glasses of water and induce vomiting by touching the back of the throat with a finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person. If inhaled, remove affected person to fresh air. Apply artificial respiration if indicated. If on skin, remove contaminated clothing and wash affected areas with soap and water. If in eyes, flush eyes with plenty of water. Call a physician if irritation persists.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer

assumes the risk to persons or property arising from the use or handling of this product, and accepts the product on that

condition.
