DANGER

EXTREMELY FLAMMABLE

READ THE LABEL BEFORE USING

CCL INDUSTRIES INC.  
105 Gordon Baker Road  
Willowdale, Ontario  
M2H 3P8

CONTAINER CAN BE HELD IN ANY POSITION, EVEN UPSIDE DOWN TO SPRAY  
INSECTS IN THE MOST DIFFICULT TO REACH AREAS.

KILLS HORNETS, WASPS, and other stinging insects; Best results  
are obtained when applications are made in early morning or  
evening when insects are at rest. STAND WELL AWAY FROM NEST,  
then spray into opening in short 2-3 second blasts so that the  
spray contacts inside nest entrance. If unable to locate nest, a  
heavy (contact & residual) spray around and into the openings

where insects gain entrance will eventually eliminate the pests. Insects hit by spray or having contacted the sprayed surface will die soon after.

KILLS GARDEN PESTS: Kills "tent caterpillars" and "pine sawflies" on deciduous and evergreen ornamentals.

DIRECTION: The spray will reach from 5 to 6 metres so you will be able to reach the insects high in your eaves, ceilings or trees. The best time to spray is on a calm day so the wind does not affect the jet spray from reaching the pests.

PRECAUTION: Contents under pressure. Do not heat, puncture or incinerate container. Do not spray near open flame or spark or while smoking. KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed, inhaled or absorbed through skin. May cause skin and/or eye irritation. Avoid contact with eyes, skin or clothing or inhalation of spray. DO NOT USE ON HUMANS, PLANTS OR ANIMALS. DO NOT USE AS A SPACE SPRAY. Do not use in areas where food is handled, prepared or stored. Product is very toxic to fish. Do not contaminate water by improper use or disposal.

FIRST AID TREATMENT: Contains petroleum distillate. If swallowed, do not induce vomiting. Call physician or poison control centre immediately. Propoxur is a cholinesterase inhibitor. Atropine is antidotal. In case of contact with skin, wash with soap and water. If in eyes, flush with water for 15 minutes, get medical attention.

DISPOSAL: When container is empty, wrap and dispose in household garbage.
