Trees, Shrubs and Bushes are injured by passing vehicles, wind, falling objects and vandalism. Such cuts and abrasions require prompt treatment to prevent infection.

C-I-L Pruning Spray is specifically formulated to act as a protective coating and sealing agent against moisture, woodrot disease, and wood-boring insects.

Used as directed, **C-I-L Pruning Spray** is a fast, easy and effective sealing compound. Offering excellent protection for rose bush, evergreen, shrub pruning and grafting. Effective moisture barrier in planters, pots, tubs, etc.

DIRECTIONS: Rough edges to be cut cleanly. Larger limbs removed at trunk. Shake can well. Remove cap. Hold upright. Point valve toward surface to be sprayed 30 cm away. Spray entire surface uniformly. Avoid over spray. Staining will occur.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat, or store at temperatures over 50EC. Do not use in presence of open flame or spark. Use in well-ventilated area.

FIRST AID: Avoid breathing vapour and contact with skin or eyes. Exposure may result in irritation of eyes or lungs. If symptoms occur, move to fresh air. If symptoms persist, see a physician.

DISPOSAL: When container is empty, press button to release all pressure then dispose in household garbage. Do not puncture or incinerate.

For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806. C-I-L is a trademark of Zeneca Corp. Wilson Laboratories Inc. is a licensed user.
