HAGEN (R)

FLEA COLLAR FOR CATS

Directions: Buckle Hagen Flea collar around cat's or kitten's neck securely but not too tightly. Allow a spacing of two fingers between collar and neck. Cut off any excess length and dispose of it in garbage. The fleas on the cat will be killed and new ones which may temporarily appear on the cat will also be killed. When bathing cat remove collar until cat is dry. Use the Hagen Flea Collar in addition to regular collar. Replace collar when effectiveness diminishes.

Precaution: Do not open inner envelope until ready to use. Do not allow children to play with this collar. Collar is intended for use only as an insecticide generator and is not to be taken internally by man or animals. Dispose of expired collars, packaging and any excess collar with garbage to keep out of reach of children. Do not use on dogs. For fleas on dogs use Hagen

Flea Collars for Dogs. Do not use on animals under 8 weeks of age. Do not use on sick animals or on animals under drug or pesticide treatment. Before using on pregnant animals consult a veterinarian. Remove collar if an adverse reaction is noticed.
