PRECAUTIONS: HARMFUL IF SWALLOWED. Avoid inhaling. Causes skin irritations. Do not get into eyes, on skin or clothing. Wear rubber gloves, and goggles or face shield, when handling.

FIRST AID: In case of contact with skin, wash well with soap and water. In case of contact with eyes, flush promptly and thoroughly with clear water. In case of ingestion or contact with eyes, secure immediate medical attention.

ECOLOGICAL: This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, ponds, streams, or public waters. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply the product only as specified on this label. Do not reuse empty container. Send to drum reconditioner, or destroy by perforating or crushing and bury in a safe place.

DESCRIPTION AND USE

Betz Slime-Trol RX-28 aids in the control of objectionable slime forming and micro-organisms in pulp and paper mill systems, and

in the preservation of glues, starches and coating formulations. This product should be added directly to the mill system at a rate of 0.25 to 1.0 kg/tonne of pulp or paper produced or to the product to be preserved at a rate of 25 to 200 parts per million.

FOR INDUSTRIAL USE ONLY. Technical advice regarding specific site problems is available from BETZ.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

KEEP CONTAINER COVERED - PROTECT FROM FREEZING
