DIRECTIONS FOR USE

To be used only in the manufacture of a herbicide which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

PRECAUTIONS

Keep out of reach of children. Harmful if swallowed. May cause eye and skin irritation. Avoid inhaling or contact with skin and eyes. Wear Protective goggles and gloves when handling.

FIRST AID

EYES - In case of contact with eyes, irrigate with water for about 10 minutes. Subsequently seek medical attention, or contact a poison control centre.

SKIN - Contaminated skin should be washed with soap and water.

INGESTION If swallowed treat symptoms as they occur. Obtain immediate medical attention, or contact a poison control centre.

DISPOSAL STATEMENT

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills contact the Provincial Regulatory Agency or the manufacturer.

CLEAN-UP INSTRUCTIONS

Sweep up spillage avoiding creation of dust or spread. Place in a labelled container for safe disposal. Avoid entry of the material into sewers or watercourses.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
