PEST CONTROL PRODUCTS ACT

READY TO USE

DOMESTIC

READ LABEL BEFORE USING

250 mL

MANUFACTURED FOR
BOSLEY'S PET FOOD MART
RICHMOND, B.C.
V7C 4V4

DIRECTIONS: Shake well before using. Hold container in upright position 25 to 30 cm from pet and spray entire body beginning at tail and working towards the head. Do not spray face, eyes or scrotum. As you spray, fluff the hair so that spray will penetrate to the skin, but spray only until hair is damp - not wet. Spray ticks directly. Also spray bed and living quarters if needed. Repeat as necessary. Do NOT use on nursing females and puppies or kittens under 8 weeks of age. Consult a veterinarian before using on pregnant animals.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or foodstuffs. Avoid inhalation of spray. Wash hands after use. Dispose of empty container in regular household garbage.

FIRST AID: If sprayed in your eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.
