DIRECTIONS FOR USE:

To be used in the manufacture of a herbicide which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

PRECAUTION

KEEP OUT OF REACH OF CHILDREN

HARMFUL IF SWALLOWED

AVOID INHALING OR CONTACT WITH SKIN AND EYES

FIRST AID

EYES - In case of contact with eyes, irrigate with water for about 10 minutes. Subsequently seek medical attention.

SKIN - Contaminated skin should be washed with soap and water.

INGESTION - If swallowed, treat symptoms as they occur. Obtain immediate medical attention.

NOTICE TO USER - This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

DISPOSAL STATEMENT

Canadian formulators of this product should dispose of unwanted material and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the regional office of Conservation and Protection, Environment Canada.

CLEAN-UP INSTRUCTIONS

Cover spillage with an industrial absorbent or sawdust. Sweep up thoroughly and place in a labelled container for safe disposal. Avoid entry of the material into sewers or watercourses.
