DIRECTIONS FOR USE: For control of micro-organisms in recirculating cooling water systems, use 15 to 20 mg/L (ppm), slug fed once or twice per week. Repeat as needed to obtain control. Once control has been established, slug feed once per week 10 to 15 mg/L (ppm) based on system's volume to maintain control. Do not mix as a concentrated product with strong oxidizing agents. Do not use in potable water supply.

PRECAUTIONS: 23052 is irritating to the skin and eyes, avoid contact with skin and eyes. Do not take internally. Wear goggles and rubber gloves when handling. Avoid using chemical in confined space. Remove clothing that has been in contact with this product and wash thoroughly before reuse. Avoid contamination of food.

This product is toxic to fish and birds. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID: Wash skin with soap and water for at least 15 minutes. If contacted with eyes, flush with water and get immediate medical attention. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Call a physician immediately.

TOXICOLOGICAL INFORMATION: Undiluted product could be fatal if swallowed. Give patient repeated glasses of water and contact physician.

DISPOSAL:

1. Close valve.
2. Arrange for return of Porta-Feed.
3. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Environment Canada.
4. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN NUMBER 3.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
