An aerosol insecticide formulated for use in dwellings, food processing plants, food service establishments, food storage areas, milk parlours and milk houses, for control of Angoumois moth, ants, beetles, cadelle, centipedes, cigarette beetle, confused flour beetle, crickets, cockroaches, dermestid beetles, and other beetles, firebrat, flies, fleas, Indian meal moth, Mediterranean flour moth, mosquitoes, moths, psocids, rice weevil, wasps, weevils. This product may also be used as an inspection flushing agent for all of the insects listed above.

DIRECTIONS

FOOD PROCESSING PLANTS, FOOD SERVICE ESTABLISHMENTS, FOOD STORAGE AREAS, FOOD TRANSPORTATION VEHICLES: DROSOPHILA, FLIES, GNATS,

MOSQUITOES, WASPS - SPACE SPRAY: Close doors and windows. Spray upward to fill room with mist. Spray 5 to 10 seconds per 30 m³. Leave the area closed for 10 to 15 minutes before ventilating.

ANTS, COCKROACHES, CRICKETS, SPIDERS - CONTACT SPRAY: Direct spray into cracks and crevices where insects hide; hit insects directly if possible.

ANGOUMOIS GRAIN MOTHS, CADELLE, CONFUSED FLOUR BEETLE, DRIED FRUIT BEETLES, INDIAN MEAL MOTH, RICE WEEVIL, SAWTOOTHED GRAIN BEETLE - Apply to insect hiding and breeding areas. If possible hit insects directly. Repeat as necessary.

ADULTS OF ALMOND MOTH, FLOUR MOTH, INDIAN MEAL MOTH - SPACE SPRAY: Close doors, windows and ventilators, spray upward to fill the room with mist. Direct spray to all parts of the room, especially into dark enclosures and around stored product containers where adults may be resting. Leave area closed for 30 minutes. Repeat weekly or whenever flying moths appear.

NOTE: In food processing plants and food service establishments, apply only when plant is not in operation. Remove all food before treatment. Cover all food processing surfaces and utensils and thoroughly clean and rinse with potable water before resuming operation.

DWELLINGS: FLIES, GNATS, HORNETS, MOSQUITOES, WASPS - SPACE SPRAY: Close doors and windows. Spray upward to fill the room with a fine mist. Leave the room closed for 15 minutes before ventilating.

CLOTHES MOTHS - SPACE SPRAY: Spray suspected enclosures, arranging clothing and other articles so that mist may circulate freely around them. Close for at least one hour after spraying.

CAUTION: In dwellings, remove all pets and cover or remove aquaria before spraying. Remove or cover exposed foods and cooking utensils before spraying. After spraying, wash and rinse surfaces that may contact food.

MILK PARLOURS, MILK HOUSES: HORN FLY, STABLE FLY, HOUSE FLY - SPACE SPRAY: Close doors and windows. Spray upward to fill the room with a fine mist. Leave the room closed for 15 minutes before ventilating.

CAUTION: In milk parlours and milk houses, remove animals from

treatment area before using as a space spray. Do not spray over milk or milking equipment. Do not contaminate feed or water troughs.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not remain in treated areas. Product contains petroleum distillates. Do not store or use near an open flame. Wear mask or respirator when applying spray mist. Avoid inhalation of spray mist. Avoid contact with skin and eyes, wash after using. Contents under pressure, do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50 deg Celsius. May stain finished surfaces if sprayed too closely. Note special use precautions above.

FIRST AID: If inhaled, remove patient to fresh air. If sprayed in eyes, flush with clean water for at least 15 minutes. If sprayed on skin, wash the contaminated area with soap and water. If irritation persists or symptoms occur, obtain medical attention immediately. If accidentally swallowed, obtain medical attention immediately. Do NOT induce vomiting. Never give anything by mouth to an unconscious person.

DECONTAMINATION AND DISPOSAL: Wrap and discard empty containers in accordance with provincial requirements. Do not puncture or incinerate.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property from the use or handling of this product and accepts the product on those terms.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
