## BEAR IN MIND the INFORMATION

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions. **NATURE OF RESTRICTION:** For use by authorized customers where the vendor maintains a record of sales, including the name and address of the purchaser, amount purchased together with a signed Notice to Purchaser. **RESTRICTED USE: SPIKE™ BEAR DETERRENT** is designed to be used in wilderness applications to help defend individuals needing assistance when confronted by bears. This product is for use against aggressive bears only and is not to be used against domestic animals or human beings. **DIRECTIONS FOR USE:** When threatened by a bear, place forefinger through hole in handle. Place thumb in front of safety clip and remove it by lifting up and back. Point nozzle directly toward bear's face. Depress actuator tab for a burst of spray to a maximum range of 4 metres. Spray is most effective at short range. Avoid discharging upwind. Move away to avoid exposure to spray. Replace safety clip after use.

**NOTICE TO BUYER:** Sellers guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition. **PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Capsaicin sprays have been proven effective in repelling bears only when sprayed directly in the eyes or on the nose. This product is for spraying the face of aggressive bears only and is not to be used against domestic animals or human beings. Capsaicin sprays will not repel bears from treated objects or areas. Do not spray objects (e.g., tents, clothing) or areas with this product. This product should be used only as a last resort. There is no guaranteed method of responding to a bear encounter, each encounter is unique. Strict attention to the advice of wildlife professionals on safety is advised. Severe irritation to eyes, nose, respiratory and skin areas can occur. Use only in outdoor areas. Wash hands before touching eyes or face and prior to using the washroom. Persons with respiratory problems or wearing contact lenses should not use this product. Avoid contact with skin and eyes and avoid inhalation of spray. **WHEN TRAVELLING, DO NOT STORE IN PASSENGER COMPARTMENT.** Contact air carriers for regulations concerning air transport. Contents under pressure. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not leave in hot vehicle. For safety and performance, do not store above 50° C or below -15° C. Be careful not to puncture container. **DO NOT INCINERATE THE CONTAINER.** Use of this product for any purpose other than self defense against bear attacks is a criminal offense. **FIRST AID:** In case of external contact, REMAIN CALM, flush thoroughly with water. **DO NOT RUB.** If contact occurs with eyes, remove contact lenses and flush eyes with cool water. If inhaled, move to fresh air. Symptoms usually disappear within one hour. If symptoms persist, obtain medical attention or call a Poison Control Centre immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. **TOXICOLOGICAL INFORMATION :** Treat symptomatically. **DISPOSAL:** When the container is empty, press valve to release all pressure. Dispose of empty container in accordance with Provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.
