NET CONTENTS 60mL

Made in the USA by  
Virbac Inc.  
P.O. Box 162059  
Fort Worth, Texas 76161

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.  
Harmful if swallowed. Do not apply to genitals of pet. Consult a veterinarian before using on pregnant animals, sick animals, or animals under drug or other pesticide treatment. Do not use on nursing animals or on animals under 8 weeks of age. Discontinue use, if irritation develops or if adverse effects are observed. Do not use near birds, feed, or foodstuffs. Wash hands after use.

FIRST AID: If swallowed, call a physician. If in eyes, flush with plenty of water and call a physician, if irritation persists. Wash contaminated skin with soap and water.

DIRECTIONS FOR USE: TO KILL FLEAS AND TICKS ON DOGS, PUPPIES, CATS AND KITTENS

Supra-Quick Roll-On is specially designed for use on cats and on areas difficult to treat on dogs. Remove cap, invert bottle (DO NOT SQUEEZE BOTTLE) and apply by rolling applicator ball along the hair coat, giving special attention to areas behind ears and at base of tail. Apply cautiously around the eyes and nose being careful to avoid mucous membranes. Rub onto ticks and into fur with finger tips until area is damp. Repeat treatment as necessary, but not more often than once in two days.

For effective flea and tick control, treatment of the pet should be combined with the sanitation of any area used by the pet. Vacuum floors, carpets, and furniture (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding areas. If pest problems persist, an insecticidal premise treatment may be required.
