A Double Synergized Pyrethrin Concentrate to be diluted with
water or petroleum distillate. For use in institutions, dairies,

bakeries, canneries, meat packing plants, flour mills, bottling plants, creameries, cheese factories, peanut mills, candy factories and other industrial establishments.

DIRECTIONS FOR USE:

Food processing plants, food service establishments and food storage areas - to control flies, mosquitoes and gnats - SPACE SPRAY: Dilute one part concentrate with nine parts water or petroleum distillate. Close doors, windows and ventilation. Using a MICROMISTER II, direct spray upwards to fill room with a fine mist, paying particular attention to windows and other light sources. Also direct mist into areas where insects are present. Use 9 litres/100 m³. Whenever possible, keep doors and windows closed for 30 minutes after each treatment. Do not remain in treated areas. Spray only when temperature is under 32°C. Ensure proper ventilation after sealed areas have been treated. Following ventilation, clean up dead insects.

To control granary insects, such as accessible stages of weevils, flour meal moth larvae and adults, cadelle and saw-toothed grain beetles - Dilute one part concentrate plus nine parts water or spray base. To control larvae apply to point of run off to all areas infested by these insects. Pay particular attention to cracks and crevices in floors, walls and ceilings. Spray thoroughly around and into floor drains, conveyors and other areas where granary insects may be found. (For flying moths, treat as for flies and other insects. See above).

To control cockroaches - SURFACE SPRAY: Dilute one part concentrate with nine parts petroleum distillate. Spray to point of runoff into all cracks, crevices, underneath sinks, behind pipes, around base of all machinery, paying particular attention to dark areas in which cockroaches might hide or nest. Use 5 L of diluted material/100 m² Spray liberally the underside of carpets. Repeat as necessary.

To control carpet beetles - SURFACE SPRAY: Dilute one part concentrate with nine parts of petroleum distillate. Spray liberally infested areas, paying particular attention to cracks, crevices and other hiding places. Use 5 L of diluted material/100 m². Spray liberally the underside of carpets. Repeat as necessary.

PRECAUTIONS:

Flammable mixture. Product contains petroleum distillate. Do not store, pour or use near fire or flame. Wear mask or respirator when applying spray mist. Wear protective clothing. Harmful if swallowed, inhaled or absorbed through skin. Wash

thoroughly with soap and water after handling. Do not contaminate feed, water or food stuffs. In food processing plants and food service establishments, apply only when plant is NOT in operation. Remove all food before treatment. Cover all food processing surfaces, packaging materials, and utensils and thoroughly clean with potable water before resuming operations. Do not use in milk processing plants or milk parlours. IN MEAT PACKING PLANTS, spray only when the plant is not in operation. No exposed meat products, ingredients or packaging materials may be kept in the room. Cover food handling equipment. Any treated surfaces that may contact meat food products should be washed and rinsed thoroughly with potable water after spraying and before re-use for meat processing.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE NEAR BIRDS, FISH OR PETS. Do not spray on plastic or varnished surfaces. Do not spray closer than 1 m to fabric.

DISPOSAL: Dispose of empty container in regular garbage.

FIRST AID: PRODUCT CONTAINS PETROLEUM DISTILLATE. IF SWALLOWED, DO NOT INDUCE VOMITING. OBTAIN MEDICAL ATTENTION IMMEDIATELY. IF IN EYES, FLUSH WITH PLENTY OF WATER. IF ON SKIN, WASH WITH SOAP AND WATER. IF IRRITATION PERSISTS, OBTAIN MEDICAL ATTENTION.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

FOR INDUSTRIAL USE ONLY NOT FOR RESALE
