DIRECTION FOR USE: To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT. Read Technical Bulletin for formulation details.

Transfer System: Container larger than 20 litres: Use a transfer system that avoids open pouring when transferring the liquid concentrate from such containers into the spray tank.

Protective Clothing and Equipment: Handling the concentrate (mixing and loading): wear long-sleeved shirt, long pants, chemical-resistant gloves, socks and shoes and protective eye wear (face shield or safety glasses). Rinse gloves before removal. Coveralls or a chemical-resistant apron should also be worn when open pouring from containers greater than 5 L.

Operator Use Precautions: Wear freshly laundered clothing and clean protective equipment daily. Rinse gloves before removal. Wash hands before eating, drinking, using tobacco or using the toilet. If herbicide penetrates clothing remove immediately, then wash thoroughly and put on clean clothing. Throw away clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. After using this product, remove clothing and launder separately. and promptly and thoroughly wash hands and exposed skin with soap and water. Follow manufacturer's instructions for cleaning personal protective clothing and equipment. If no such instructions for washables are provided use detergent and hot water. Keep and wash personal protective equipment separate from household laundry. After work, remove all clothing and shower using soap and water.

PRECAUTIONS: Keep out of reach of unauthorized personnel. Harmful if swallowed. Causes irritation. Avoid contact with eyes, skin and clothing. Do not inhale vapors. Wash well after handling and before eating, drinking and smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

FIRST AID: If swallowed, drink one or two glasses of water and induce vomiting. Get medical attention or contact a poison control centre immediately. If patient is unconscious, give him air. If on skin, wash with plenty of soap and water. See a doctor if irritation persists. If in eyes, flush eyes immediately with clean water for at least fifteen minutes and consult physician or contact a poison control centre.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizers or pesticides.

FOR SPILLS, use appropriate safety equipment. Absorb spill in inert material such as sand or sawdust. Dike area in case of

large spills. Do not clean up with water.

If involved in fire, use water, fog, foam CO₂, dry chemical. If fighting fire, use pressure demand self-contained air supply. Noxious fumes may be produced under fire conditions. Contain water from fire fighting to prevent entry to water supplies.

REFILLABLE CONTAINERS

After use, return cleaned container to point of purchase or designated locations. Do not reuse container for any other purpose.

RETURNABLE-REFILLABLE CONTAINERS

After use, return cleaned container to the point of purchase or designated locations. This container must only be refilled with Mecoprop + 2+D Manufacturing Concentrate. Do not reuse container for any other purpose. Prior to refilling inspect thoroughly for damage such as cracks, punctures, abrasions, and damaged or worn out threads on closure devices. Check for leaks after refilling and before transportation. Do not refill or transport damaged or leaking containers. If the container is not being refilled, return to point of purchase.

DECONTAMINATION AND DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and container in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product, and accepts the product on that condition.
