ADMIRAL SANITATION INC.
1-15 McCULLOCH AVE.
ETOBICOKE, ONTARIO
M9W 4M5

DIRECTIONS: Hold can upright while spraying.

FLYING INSECTS - FLIES, MOSQUITOES, GNATS, AND FLYING MOTHS:
Close doors and windows. Apply a 6-20 second burst per 30 cu.m of space. Prevent persons and animals from entering area before using as a space spray. Direct mist upwards in sweeping motion to all parts of the room, especially windows and other light sources. Also direct mist into areas where insects are present. Insects must be contacted to be killed. Keep spray at least 1 m from interior walls, fabrics and furniture. Keep doors and windows closed for 15 minutes after each treatment. Ensure

proper ventilation after sealed areas have been treated and clean up dead insects. Spray only when temperature is under 32 deg C.

CRAWLING INSECTS - COCKROACHES, SPIDERS, CRICKETS, ANTS, CARPET BEETLES, CENTIPEDES AND SILVERFISH: Spray hiding places such as baseboards, moist areas, openings around sinks, drains and pipes, behind cabinets and storage areas. Spray ant trails, around door sills, window frames, or in ant nests. Insects must be hit with spray to be killed.

FLEAS - Spray infested areas such as pet's bed and resting quarters, nearby cracks and crevices, along baseboards, window and door frames, and localized areas of floor and floor covering where these pests may be present. Remove old bedding and replace with fresh, clean bedding after treatment. Insects must be contacted to be killed. DO NOT TREAT PETS WITH THIS PRODUCT.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not remain in treated areas. Ensure proper ventilation after sealed areas have been treated. Remove or cover all exposed foods and cooking utensils before spraying. (Any treated surfaces that may contact food or feed products should be washed thoroughly with potable water after spraying and before re-use.) Avoid contact with skin and eyes. Wash after using. CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stove or other sources of heat. Do not puncture or incinerate can or store at temperatures over 50 deg C. Do not spray into or near any open flame. In hospitals, do not use in nurseries or rooms where infants, ill or aged persons are confined.

In food processing plants and food service establishments, apply only when plant is NOT in operation. Remove all food before treatment. Cover all food processing surfaces and thoroughly clean with potable water before resuming.

Not for use on humans. Avoid inhalation of spray.

FIRST AID: If sprayed in eyes or on skin, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Regional Office of Environmental Protection, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATIONS OF WARRANTY: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer

assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
