ASLCHEM INTERNATIONAL INC.
Address: #1261-4871 Shell Road, Richmond, B.C. Canada V6X 3Z6
Tel: 604-273-8882, Fax: 604-273-8881

DIRECTION FOR USE: To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.

PRECAUTIONS: Improper handling may cause fire and explosion or produce severe burns. Do not mix ***Clorex*** (or allow to get into contact) with other chemicals or with combustible materials.

STORAGE: Store product dry in tightly closed containers in a cool, dry and well-ventilated area away from heat, direct sunlight or open flame. In case of contamination or decomposition, do not reseal container. If possible, isolate container in an open and well-ventilated area and flood with large volumes of water.

FIRST AID: Inhalation: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.
Ingestion: If swallowed, do NOT induce vomiting. Give large quantities of water. Never give anything by mouth to an unconscious person. ***Skin Contact:*** Immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing and shoes thoroughly before reuse. ***Eye Contact:*** Immediately flush eyes with plenty of water for at least 15 minutes, lifting lower and upper eyelids occasionally. Get medical attention IMMEDIATELY for ALL or ANY of the above-mentioned circumstances. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

NOTICE TO USER: This control product is to be used only in accordance with directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe condition.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

TOXICOLOGICAL INFORMATION: Treat symptomatically.
