MOSQUITOES

WARNING

FLAMMABLE EXPLOSIVE

READ LABEL BEFORE USING

KEMSAN INC.
P.O. BOX 727
OAKVILLE, ONTARIO L6J 5C1

This insecticide is for use only in an automatic mister dispenser (Cam Spring action type) which releases 55 mg of insecticide every 15 minutes. The continuous use of this insecticide will reduce the flying insect populations-the effect should be noticeable within a few hours. One can contains enough product to protect a room of 170 cu. m for up to 30 days.

USE AREAS: Restaurants, Food Plants, Food Service Establishments, Lodges, Resorts, Dairies, Horse Stables, Cow Barns, and Poultry Houses while they are in operation. Also for use in meat

processing plants when not in operation. Use area must have at least 170 cu. m of free flow air space.

DIRECTIONS: Dispenser must be located 2-3 metres above floor at point where air circulation will carry particles through the area. Do not install directly over food or food packaging surfaces. To install, remove protective cap from can and insert into dispenser.

CAUTION:

In meat and food processing plants, only apply when plant is not in operation. No exposed food products, ingredients, or packaging materials to be left in the room. Cover food handling equipment. Any treated surfaces that may contact meat food products or other food products should be washed and rinsed thoroughly with potable water after application and before re-use for food processing.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure: Container may explode if heated. Do not expose to temperatures above 50 °C. Do not puncture or incinerate. Do not contaminate food, feed, or water. Do not spray over milk or milking equipment. Do not use in nurseries or where infants, ill or aged persons are confined. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces.

DISPOSAL

Dispose of empty container in accordance with provincial requirements.

FIRST AID:

In case of contact with eyes or skin, flush with water. If irritation persists, seek medical attention. If accidentally swallowed seek medical attention at once.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and

accepts the product on that condition.
