DIRECTIONS: TO KILL FLIES, MOSQUITOES, GNATS, WASPS, HORNETS, FLYING MOTHS: Close all doors and windows and direct spray upward into center of room with a low, sweeping motion. Spray 5 to 10 seconds for average room (28.3 cubic metres). Keep nozzle one metre from surfaces. Vacate premises. Keep room closed for 15 minutes after spraying. Ventilate room thoroughly before re-entry.

TO KILL COCKROACHES, SILVERFISH, CRICKETS, ANTS, CENTIPEDES, SOWBUGS, SPIDERS, FLEAS: Spray baseboards, cracks, crevices, moist areas and openings around sinks and pipes and other hiding places, hitting the insects directly. Spray ant hills and ant trails around windows and door sills and other locations. For fleas, thoroughly spray animal quarters and sleeping areas. Replace bedding after treatment. Do not spray directly on pets under any circumstances. Repeat as necessary.

TO KILL CLOTHES MOTHS, CARPET BEETLES: Spray all articles to be protected, giving particular attention to folds and seams. Do not spray areas of furniture or carpets that may come into personal contact. Spray interior of storage containers such as closets, chests and trunks regularly. Treatment should be repeated every thirty days unless the articles are stored in a moth-tight container.

TO KILL BEDBUGS: Dismantle beds completely. Spray mattresses thoroughly, especially around seams and tufts. Spray bedstead, baseboard and floor boards. Replace bedding after treatment. Repeat frequently.

TO KILL GARDEN PESTS ON FLOWERS AND ORNAMENTALS: Spray area thoroughly, keeping can 30 to 60 cm away from plants. Avoid saturation. Only a light spray is required to kill pests. Do not spray in breeze. Do not use where temperature is above 32 deg C. Be especially careful not to saturate young plants. Do not use on plants other than those listed on front panel. PIC

kills insects only by direct contact with spray. Use with
caution on young plants and new growth.

CAUTIONS: When spraying rooms, keep pets outside for at lease an
hour. Cover all foods, kitchen utensils, remove or cover fish
bowls. Avoid inhalation. Avoid direct contact with skin and
eyes. Do not use spray directly on pets or person. Do not spray
on plants in direct sunlight. Contents under pressure. Keep
away from open flame or spark. Do not place in hot water or near
radiators, stoves or other sources of heat. Do not puncture or
incinerate container or store at temperatures above 49 deg C.

FIRST AID: For external contact, wash with soap and water. If in
eyes, flush with plenty of water; get medical attention. If
swallowed, obtain medical attention.

DECONTAMINATION AND DISPOSAL: Discard empty container in
household garbage.
