DIRECTIONS

If contents are not fully utilized within 12 months of initial use, please discard this container.

To disinfect and sanitize surfaces:

1. Hold can upright 15-20 centimeters from surface. 2. Spray until surface is covered with mist. 3. If desired, wipe dry with cloth.

To disinfect and sanitize telephone and dictation equipment:

1. Spray onto cloth or paper tissue. 2. Wipe equipment.

To deodorize air:

1. Point upward toward centre of room and spray. 2. Spray for 15 to 20 seconds in average room (25 cubic meters). Vary spray accordingly for larger and smaller rooms.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

PRECAUTION, CONTENTS UNDER PRESSURE.

Keep away from open flame or spark. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures above 50°C.
