USE DIRECTIONS

TO SANITIZE OR DISINFECT floors, washrooms, shower stalls, locker rooms, garbage pails and chutes, countertops and food equipment: Spray-on or mop-on.

GENERAL DISINFECTING AND SANITIZING: Mix 1 part SANI+DISINFECTANT concentrate to 25 parts water.

LIGHT CLEANING AND SANITIZING: Mix 1 part SANI+DISINFECTANT concentrate to 60 parts water.

FOOD PREMISES: Spray-on or mop-on, let stand for 10 minutes before wiping clean and rinsing, if required. (Food equipment and surfaces subject to contact with food should be rinsed thoroughly with potable water after cleaning procedure).

SANI+DISINFECTANT kills the following organisms: Staphylococcus aureus - Salmonella choleraesuis Pseudomonas aeruginosa
- Escherinia coli - Salmonella typhosa / Streptococcus faecalis / Shigella dysenteriae - Proteus mirabilis / Aspergillus niger
- Trichophyton interdigitale (athlete's foot)

NOTE: Rinse after use and allow surfaces to dry.

FOOD ESTABLISHMENTS: Food equipment and surfaces subject to contact with food should be rinsed thoroughly with potable water after cleaning procedure.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. May cause eye damage or skin irritation. Do not get concentrate in eyes or on skin. Avoid contamination of food. Rinse empty container with water before discarding.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, GET MEDICAL ATTENTION. If swallowed, drink milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. GET MEDICAL ATTENTION.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to the treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial

- requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.
