PRECAUTIONS:

Corrosive to eyes and skin. Fatal if swallowed. Potential skin sensitizer. Do not swallow. Do not get in eyes, on skin or on clothing. Avoid contamination of food. Wear rubber gloves when handling the product.

FIRST AID:

In case of personal contact with eyes or skin, flush thoroughly with water for 15 minutes. For eye contact, get medical attention IMMEDIATELY. If on clothes, remove clothes immediately. If swallowed, drink two or three glasses of milk or water. Do not induce vomiting. Call a physician or the poison Control Centre IMMEDIATELY.

TOXICOLOGICAL INFORMATION:

Tablets are corrosive to eyes and skin. This product may produce a sensitization response or allergic reaction in some individuals.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product.

DIRECTIONS FOR USE:

For manufacturers of containers used for the sampling of milk along with laboratories and facilities which have means to automatically dispense the tablet into the milk sample containers: Add 1 tablet for each 50 mL (2 oz.) of milk sample to be preserved.
For manufacturers of containers or labs and testing facilities which do not have automatic dispensers: Use the hand-held dispenser pak to add 1 tablet for each 50 mL (2 oz.) of milk sample to be preserved.

DISPOSAL:

For information on the disposal of unused, unwanted product, and the clean up of spills, contact the Provincial Regulatory Agency or the manufacturer.

KEEP OUT OF REACH OF CHILDREN
