PRECAUTIONS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing vapors.

ENVIRONMENTAL HAZARDS

Keep out of lakes, streams and ponds. Do not contaminated water by cleaning of equipment or disposal of waste.

## FIRST AID

For eye contact, flush with running water for at least 15 minutes.

For skin contact, wash with soap and water. If irritation develops, consult a physician.

For ingestion, drink 2 glasses of water and induce vomiting. Consult a physician or poison control centre. For inhalation, remove from exposure. If illness develops consult a physician.

## NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

## LIMITATION ON WARRANTY:

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

## DIRECTIONS FOR USE

To be used only in the manufacture of a pest control product which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

### STORAGE:

Store in well ventilated area. Protect from ignition sources. Avoid contact with high temperatures, acids, bases or prolonged contact with air. Provide means of controlling leaks or spills. Absorb spilled material in dry, inert material. Use NIOSH approved respirator, protection equipment, neoprene or rubber gloves and goggles if splashes could occur.

### DISPOSAL:

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the provincial regulatory agency or the manufacturer.
